

Earn while you Learn!

CE CREDITS AT YOUR OFFICE.

UMBRELLA/EXCESS CASUALTY

Learn the history of umbrella coverage and how forms have developed over the years. You'll discover how various carriers differ in their Insuring Agreements on key points, how unimpaired aggregate language works, the importance of reading and understanding your maintenance of underlying policy provisions, Trends in claims, jury awards and factors driving claims severity.

One hour. One CE Credit.

DIRECTORS & OFFICERS LIABILITY

Since a director can be held personally responsible for the acts of the company, most directors and officers need protection rather than put their personal assets at risk. Structured in the same way as the EPLI course, our Directors & Officers Liability reviews exposures and coverage issues – who needs coverage, how much coverage they need and why they need it.

One hour. One CE Credit.

and more.*

DIC EARTHQUAKE

Shake up your business and become more knowledgeable about DIC Earthquake coverage. Learn about the forms and coverages, the kind of information underwriters need and why they need it. Deductible and Occurrence wordings vary – learn why. Get an overview of the current market situation to get your clients the best coverages and prices available.

One hour. One CE Credit.

EMPLOYMENT PRACTICES LIABILITY

We discuss the fundamentals of Employment Practices Liability – charges of harassment, discrimination, wrongful termination of employment and policy form.

We will review what to look for and what to watch out for in EPLI policies and EPLI quotes. Not all Employment Practices Policies are created equal so we will also briefly review policy enhancements.

One hour. One CE Credit.

Schedule a time for one, two, three or all four free classes, now.
