

Auto Hauler Program

Trinity Underwriting Managers (TUMI) has designed an insurance program to cover automobile haulers engaged in the transport of new or used vehicles for auctions, dealers or relocations. The target is owner operators or small company owned fleets that operate tractors and pull multi-car trailers. A solid package of coverage is available for account ranging from 1 to 25 power unites. TUMI has been underwriting auto transport business since 20018 and has a unique understanding of this specialty class.
