

Liquor Liability

The legal and insurance landscape for nightclub, tavern, and bar owners is more challenging in Arizona than in other states. Unique laws and conditions affect products such as liquor liability and firearms coverage throughout the state, making it one of the more difficult places for venue owners to get proper insurance.

To get the coverage they need, it's essential for owners to work with a professional accustomed to dealing with complex exposures in this industry. That's where we partner with you to educate your clients.
