

# Multiline Solutions for Oil & Gas and Alternative Energy

Worldwide Facilities works with an AM Best A+ rated carrier to offer custom, national coverage bundled for mid-sized energy companies. This solution services a wide variety of energy segments and combines Casualty, Umbrella, Property and Inland Marine.

## MINIMUM PREMIUMS

- \$75K - Combined GL/Auto/WC
- \$75K - Monoline WC
- \$25K - Property with \$10K deductible
- \$5K - Inland Marine
- No minimum premiums on Alternative Energy Accounts (Wind, Solar, Biodiesel, etc.) including Work Comp

## SALT WATER HAULERS

- Minimum Premium for Salt Water Haulers is \$250K for Work Comp and Auto (must be 'best-in-class')
- Can consider Auto/Work Comp splits: 75% Auto and 25% Work Comp on case-by-case basis
- Prefer to have 75% Salt Water Hauling and 25% 'other contracting' (non-trucking) exposure
- No Owner Operators

## HIGHLIGHTS

- AM Best A+ rated carrier
- Available in all 50 states
- Coverage lines include GL, Auto, WC, XS, Prop and IM
- Umbrella limit \$5M
- Wide variety of energy segments, including Oil & Gas, Power & Utility, Mining and Alternative Energy
- Expedited renewals requiring minimal information if exposures are substantially the same at renewal time

## SUBMISSION REQUIREMENTS

- Acord apps, including GL/WC/Auto class codes
- 5 years of historical payroll/sales/fleet count
- 5 years of currently-valued loss runs
- Risk Engineering contact information

## OTHER NOTES

- New Ventures ok
- Wet work: 10% max
- No Monoline Auto
