

CASUALTY

Public Entity

As public budgets become more difficult to manage, working with professionals who have a thorough understanding of the Public Entity insurance marketplace becomes even more critical than ever before. Our expertise continues to be a valuable resource for administrators and public officials because Worldwide Facilities' specialists understand the numerous challenges these officials face every day.

With our thorough understanding of the public Entity insurance marketplace and access to all the major domestic and foreign insurance carriers, we have the resources to craft a strategic insurance program to meet the needs of today's public entity clients.
