

Aviation Risks

Worldwide Facilities has been a broker of aviation-related risks for over 40 years. Our markets will entertain almost any kind of Aviation and Aerospace product liability to protect manufacturers against claims resulting from faulty design or workmanship. Our markets can quote Airport Liability on a primary or excess basis, fixed base operators, pleasure craft, and business aircraft and drones. We also have the expertise to place Wrap-Up coverage for major construction projects at U.S. airports with limits up to \$1 billion.
