

Workplace Violence Program

Workplace Violence incidents are tragic for the victims involved and their families. They can also be financially ruinous-to victims, their families, and employers. Surprisingly, however, the financial fallout from workplace violence incidents is rarely covered in a comprehensive way by commercial property insurance or specialty lines. In the way, this worldwide facilities insurance product is truly ground breaking.

Worldwide Facilities is dedicated to providing quality products to our clients. Our mission is to deliver innovative solution to our business partners by providing superior customer service with the highest level of ethics and integrity. We strive to bring value to every product we offer.
