ATLANTA, GA – November 15, 2018 - Worldwide Facilities, a national wholesale insurance brokerage, managing general agent and program underwriter, has announced the addition of Angela Davis as a Healthcare Broker to its brokerage team.

Davis holds a Bachelor of Business Administration in Risk Management and Insurance from Georgia State University. She began her insurance career in 2003; prior to joining Worldwide Facilities, Davis served as Vice President of Professional Lines and Regional Manager at Hiscox USA.

While at Hiscox, Davis managed a team of five professional liability underwriters and oversaw the expansion of the Allied Healthcare, Architects and Engineers, and Miscellaneous Professional lines of business for the Southeast. In her new position, Davis intends to continue providing outstanding customer service at Worldwide Facilities while serving as an expert resource to internal teams. “I’m looking forward to creating deep professional relationships with my clients through integrity and impeccable performance,” she says.

“We believe that Angela’s extensive experience, particularly in healthcare, will make her a strong addition to our team,” adds Jordan Connelly, Senior Vice President at Worldwide Facilities. “We’re looking forward to seeing her achieve great things in this role.”
