Worldwide Facilities, LLC Appoints Chris Moulder as Vice President & Broker Expands Transportation Insurance Capabilities

ATLANTA, GEORGIA - June 1, 2016 - Worldwide Facilities, a nationwide wholesale brokerage and managing general agent, is announcing a new appointment that will significantly increase its capabilities in the transportation insurance sector. Chris Moulder will be taking on the role of Vice President and Broker at its Atlanta office, bringing expanded access to commercial auto and transportation markets.

Moulder offers a combined 13 years of transportation and logistics experience in claims, underwriting, risk management, and brokerage. His expertise includes an array of industries within the supply chain, from initial product manufacturing to the final delivery of product.

As part of Worldwide Facilities' team, Moulder will broaden the company's commercial auto fleet capabilities and expertise, adding several important markets for transportation insurance on an admitted and non-admitted basis. Worldwide Facilities will now offer nationwide A+ market access for all-radius trucking classes, distributors, manufacturers, and hazardous materials haulers, as well as commercial auto contracting and sales fleets.

The new markets available to Worldwide Facilities clients will serve commercial and specialty auto, livery, and trucking, and offer coverage for monoline vehicle physical damage and motor truck cargo. New ventures are eligible.

“Worldwide Facilities remains committed to building out classes of business underserved in the wholesale brokerage space,” says Jordan Connelly, Branch Manager at the Atlanta office. “We're always expanding our niche areas of focus, and transportation is no exception.”

“I am excited to be a part of Worldwide Facilities' continued growth,” says Moulder, “and look forward to joining this tremendous team of professionals.”
