“Experience a World of Difference”

FOR IMMEDIATE RELEASE

Worldwide Facilities, Inc. Opens New Office in Hartford, Connecticut

Hartford, CT (June 2, 2015) — Worldwide Facilities, a nationwide leader in the wholesale insurance industry, is proud to announce the opening of its new office location in Connecticut. This new location will help the company expand its services to insurance agents and their specialty lines customers throughout New England.

“This is an exciting move for Worldwide Facilities,” says Senior Executive Vice President Tom Ciardello. “We’ve been growing and expanding a great deal in the past few years, and this is our twelfth location. It will be crucial in helping us provide personalized services and expertise to New England specialty lines insurance markets.”

Key personnel at the new Hartford, Connecticut office will include SVP Branch Manager Patricia Roth, Senior Associate Broker Suzanne Averill, Senior Associate Broker Stacy Labbe, and Internal Broker Alesha Hyatt-Lanuto.

“We’re excited about having Patti and the team join us to establish the New England region,” says Tom Ciardello. “This continues our expansion of a national platform for both our brokerage and underwriting capabilities.”

About Worldwide Facilities, Inc.

Worldwide Facilities is a national wholesale insurance broker and managing general agent that has been in business since 1970. Its seasoned brokers and underwriters are industry leaders in providing expertise in a wide range of specialty lines, and offer extensive contacts with carriers domestically and overseas.
