

Cannabis Small Business Program

In addition to our broad and deep brokerage market capabilities for Cannabis, Hemp and CBD accounts on all states, Worldwide Facilities is proud to announce a new product that is specially designed for small business. With low minimum premiums, simple applications requirements and efficient turnaround, we want to be a one-stop shop for wholesale market solutions for the fastest growing industry in America.

Semi-exclusive binding authority Cannabis Program, written through our MGA facility.

Distribution currently available in 50 states.
